# UNIVERSITY OF LONDON

King's College London, London School of Economics and Political Science to smaller specialised institutions such as the Royal Academy of Music or the Courtauld Institute of Art.

is one of the largest, most diverse set of universities in the UK with over 120,000 students in London, and a further 50,000 studying across 190 countries for a UOL degree. It's a federation of 17 independent member institutions of outstanding global reputation, ranging from UCL,

## BSc HONS. BUSINESS ADMINISTRATION

Founded in 1879, Royal Holloway is one of the University of London's six largest member institutions and is home to more than 9,000 students.

The BSc in Business Administration is led by academics within the School of Management, one of Royal Holloway's largest departments, the School gives high priority to original research in international business, and the deep understanding of the subject that follows is reflected in its teaching of management studies.

### OVERVIEW

The BSc Business Administration is a widely recognized business degree programme that equips you with critical and creative decision-making skills to help boost your career. The degree can be studied via two routes;

#### **BSc (Hons) Business Administration (Standard entry route)**

Standard entry route is applicable for students who meet the entry requirements listed in the eligibility criteria.

#### **CertHE Business Administration**

If you are not eligible for this programme via standard entry route, you may be able to study the CertHE Business Administration for which you must complete four courses.

This is a qualification in its own right and is equivalent to year-1 of degree programme. It also provides an entry route to 2nd year of degree-level study.

#### **By studying this degree, you will:**

- ❖ Gain a systematic understanding of management-related problems, and conceptual tools for analysing and evaluating management issues.
- ❖ Understand more about the historical, political, cultural and institutional forces shaping modern business.
- ❖ Engage with case material in a stimulating learning environment.
- ❖ Gain the skills and competencies necessary for the development of your creative and decision-making capabilities.
- ❖ Receive excellent preparation for careers in business and management.
- ❖ Be able to tailor the degree in line with your future career aspirations by choosing a specialist pathway.

ROYAL  
HOLLOWAY  
UNIVERSITY  
OF LONDON

### CAREER OPPORTUNITIES

UNIVERSITY OF LONDON

MARK *of*  
EXCELLENCE

A degree from the UOL is respected by employers & universities worldwide. All programmes are developed and assessed by the renowned colleges of the UOL.

## BSc HONS. PSYCHOLOGY

BSc Psychology from University of London is one of the finest psychology programmes offered in Pakistan and the only International programme offered in Pakistan in the field of Psychology.

The Academic direction for BSc (Hons) Psychology is provided by King's College London, with enriched content developed by the Institute of Psychiatry, Psychology & Neuroscience (IoPPN). King's College London is globally known for their commitment to delivering research excellence and is ranked 7<sup>th</sup> in the QS UK University rankings 2019.

### OVERVIEW

This programme will provide you with a contemporary approach to study the human mind. You will gain a thorough understanding of human behaviour and learn to apply psychological science to a variety of contemporary and social challenges.

There is an emphasis on quantitative and qualitative research methods and statistical analysis with content enriched by the Institute of Psychiatry, Psychology & Neuroscience

#### **As a graduate of this programme, you will be able to:**

Apply a critical understanding of essential concepts, principles and research in psychology, and critically evaluate the results, in the context of loosely defined scenarios, using structured arguments based in empirical evidence.

Demonstrate the ability to produce a substantial piece of original or empirical research work including, for example, study design, data collection, analysis and reporting.

### CAREER OPPORTUNITIES

Psychology graduates are notably flexible in the workplace and go on to succeed in a variety of professions, including entering the public or private sector or applying their knowledge to a range of sectors such as education, health-care, social care, criminal and legal services. Your degree could lead to a career in areas such as forensic psychology, health psychology, youth services, counselling or human resource management.

### ELIGIBILITY

Age 17+ by the date of registration.

3 UK GCE A-levels at grade DDE or an acceptable equivalent. One of these A-levels must be obtained in Mathematics, Psychology or Biology at grade A – D.

UK GCSE Maths grade A – C / 9 – 4 or equivalent

Provide proof of competence in English by having UK GCSE/GCE 'O' level at grade C. Otherwise a test of proficiency may be required.
