SOCIOLOGY

BA (HONS)

BA (Hons) Sociology at LJMU is a varied degree, which offers a unique opportunity to undertake a contemporary, critical and sector-leading programme of study. The degree will develop your research skills and help you explore alternate ideas and respect points of view that may be contrary to your own, including providing core training in sociological methods and theory.

OVERVIEW

The Sociology degree provides a balance of core and optional modules, delivering a thorough grounding in theory and method, alongside cutting-edge and emerging theoretical and methodological approaches. The programme endeavours to recognise the history and legacy of sociology while also developing insights to contemporary and emerging problems.

You can choose to follow your own pathway by selecting modules that contribute to a theme or themes including social divisions and inequality, social policy, culture, and globalisation.

PROGRAMME STRUCTURE

You study 18 courses over a period of three years to earn the BA (Hons) Sociology degree.
